2014 Lincoln Community Foundation Annual Report

2014 OVERVIEW

Barbara Bartle
President

Richard Vierk
Chair of the Board

Building resources and providing leadership to the Lincoln community is the aspiration of the Lincoln Community Foundation. We are pleased to report on our many successes in 2014 in the areas of fundraising, grantmaking and community leadership.

Almost \$19 million in new gifts and pledges was received this past year. Our total assets increased more than 12% and are now \$113.5 million. During the past five years, our staff has actively worked on establishing new

donor funds with Lincoln Community Foundation. As a result, we have more than doubled the numbers of funds held by the Foundation since 2010. These gifts from our generous donors allow us to make more impactful grants in the community, improving Lincoln for future generations.

We hosted the third Give To Lincoln Day last May and raised almost \$2.7 million from nearly 7,000 donors for 304 local nonprofits in just 24 hours. It has been exciting to see Lincoln residents embrace this special day of giving and the positive impact it has on helping our local nonprofits carry out their important work..

Dollars granted in 2014 increased 53% from the previous year. We distributed \$8.3 million to 673 nonprofits. In addition, scholarships totaling nearly \$245,000 were awarded to 197 students last spring.

Last January, Lincoln Vital Signs 2014 was launched as a new tool for the community. The report was commissioned by 13 funders that included philanthropic

organizations, the business community, the City of Lincoln and Lancaster County. The intent was to create a more comprehensive understanding of Lincoln, both its strengths and challenges. We could not be more pleased with the use and impact generated from the first report. Our priority this year will be to use the findings and engage all segments of our community with a goal of creating a shared community agenda that will continue to move Lincoln forward.

In 1955, a group of visionaries with a genuine love for Lincoln and dedication to its successful future founded the Lincoln Community Foundation. As we enter 2015, we celebrate our 60th anniversary. We recognize the generosity of thousands of donors who made gifts of all sizes because of their love for Lincoln. Those gifts have done so much to improve our wonderful city. To continue building future opportunities for Lincoln, we are focused on developing a new group of Diamond Donors during this anniversary year. These new donors will help continue to move the vision of Lincoln Forever forward by building

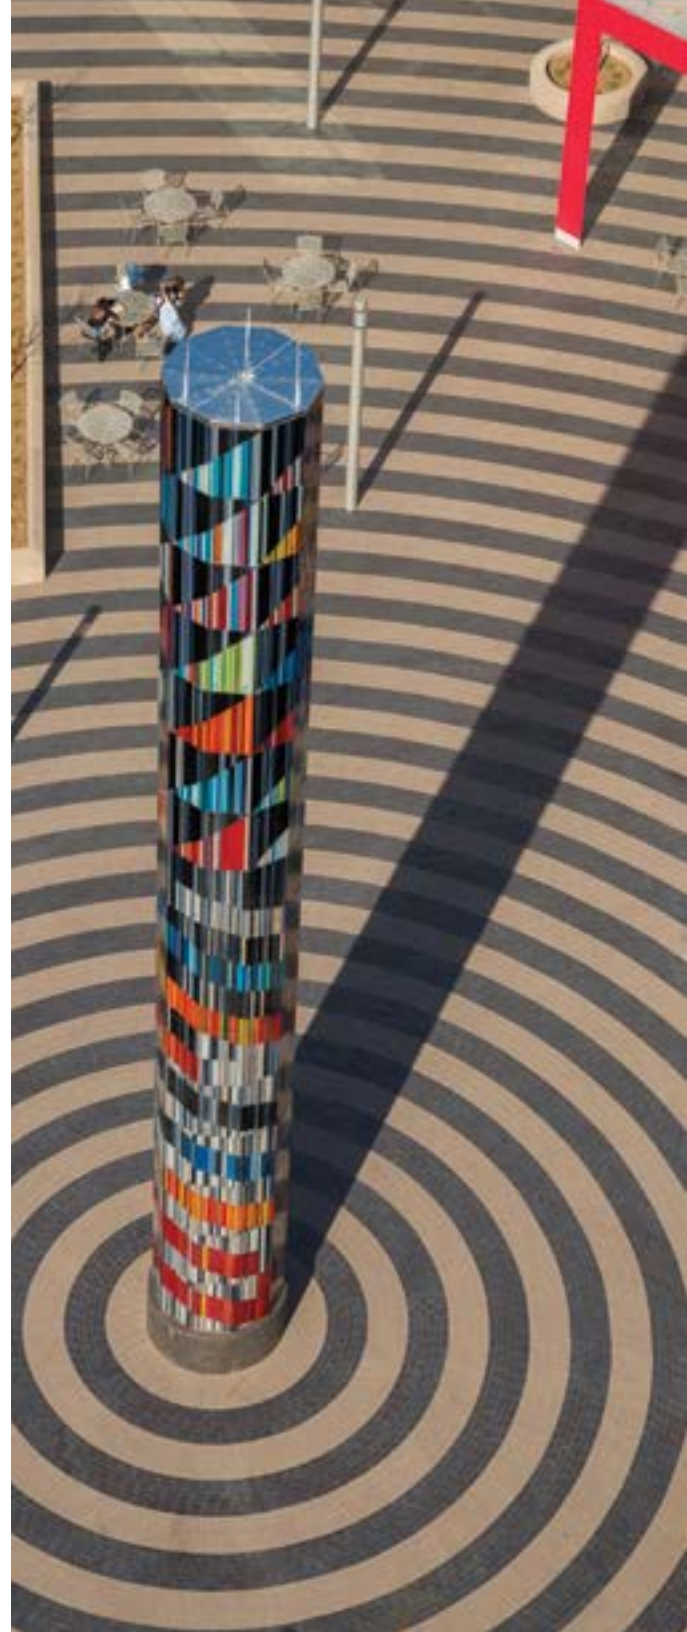

TO HELP BUILD A GREAT CITY;
TO NURTURE, HARNESS AND
DIRECT THAT ENERGY, IS THE
ASPIRATION OF THE LINCOLN
COMMUNITY FOUNDATION.

permanent endowment funds that can address the future opportunities and needs of Lincoln. These funds will be in place to support the community for our 75th anniversary, when we turn 100 and other anniversaries far into the future.

As we celebrate this milestone anniversary, we thank all the generous people who have given back to our community and celebrate those who now join us. Let's work together to advance our community and grow Lincoln...Forever.

PURPOSE

The Lincoln Community Foundation was established in 1955 to help donors serve and improve the community through philanthropic gifts to nonprofit organizations. We are a connecting point for people who are interested in moving Lincoln forward. We are a facilitator, a partner and a collaborator. We have a relentless desire and energy to make Lincoln a better place. Our name says it the best. We are Lincoln's community foundation.
