

Your Vision. Our Mission. Together for Good.

The community leaders who established Lincoln Community Foundation many years ago envisioned an organization that would enhance and support our community forever. As such, they created the **Lincoln Benefactor Society** to form LCF's backbone and provide long-term stability for its operations. The Benefactor Society recognizes individuals that understand the importance of a strong community foundation and have invested in its future.

REMINDER

As a reminder, the appropriate designation in all legal documents is: Lincoln Community Foundation, a Nebraska nonprofit corporation. When LCF receives an estate gift, five percent of the gift is allocated to support its operations.

QUALIFYING AS A BENEFACTOR

A gift over time or through a beneficiary designation or estate gift will qualify an individual as a Benefactor in one of three ways.

- \$50,000 or more to the LCF Operating Fund (\$100,000 or more for a couple)
- \$500,000 or more to any LCF endowed fund
- \$1,000,000 or more to any LCF fund during a 12-month period

Lincoln Benefactors

A beautiful glass wall displaying our Benefactors graces the foyer of LCF's building in downtown Lincoln. Benefactors also enjoy special events throughout the year, including sneak peeks of new spaces in our community, lunches, and education opportunities.
